

Monday, October 26

300 DAYS PAST

SATURDAY 66 TO COME

Dr. F. E. Eusten, Syracuse, N. Y., says:

"I wish to state that I have had excellent results with **Pepto-Mangan (Gude)** in the convalescence of Typhoid and La Grippe. Have had personal experience in the latter, and therefore can vouch as to its merits."

Rained this afternoon hard  
but was warm & lovely this  
morning. I took Selma home  
then went to Jessie Marchant's.  
She & I went down to  
Omer Westover's & got over  
our apples. Then stopped  
to the sale of Mary Garretts  
a few minutes. Dr. Mc  
Ray was here & Bert, they  
had Fred Augustine with  
them. He had been to Billy  
Arons, Billy & Mariah &
