

Monday April 11, 1921.

I delivered mail on the whole route with Dick and our G-ip to the Bay and Dick and Charles G-ip on the rest of the route.

The gas men came and repaired the gas pipes in the swale and ~~can~~ laid the pipes over to English's house.

The day was fine and the roads are getting good again.

Tuesday April 12, 1921.

I delivered mail on all the route with Dick and Charles G-ip.

Mr. English and Roy took the oats that I bought from Coldu Campbell, home from the 14th cow. Colin helped them.

178 bush @ 45 cts

\$80.25

The day was fine and the roads are good. saw Bear Creek Bridge

Wednesday April 13, 1921.

I delivered mail on the whole route with Dick and Charles G-ip.

Roy took the Auto down to Pamoquet and Chaffie and the Banker took him back. Charles is going to repair the Auto.

The gas men came this morning and put the gas into English's house.

The day was fine and the roads.
