

March, 1930.

16 Sunday. Rained this morning mild and mostly cloudy. The three of us went to Sunday school this afternoon. Norman Snyder came up to the church and Ella, Walter and Aulta Bolender went to Elmira with him. Edna ^{Miller} and Charlie ^{Miller} also went along and we went down to Angus Deber's for tea and over to Bader where we spent the evening with Mr. and Mrs. Stauffer Shantz. Walter & Ella came home from Elmira with Charlie & Aulta in the Plymouth Coupe which was nicely filled.

17 Monday. Drizzly and cloudy Ella did the washing. Vernon spent the day in the bush.

Walter went to Floradale this p.m. Arthur Esch called on him also two horse buyers. Harvey Reist called for the scalding trough this morning and brought it back this p.m. Theo. Wagner died today at Amulree.
