

August

SUNDAY, 28

1921

Broct & Lorne to church at night:
Fine and bright:

MONDAY, 29

Draining out manure all day.

Fine and very hot - hazy like rain.

Broct & I to Arthur at night - with
Roy to hear Premier's speech but
he not there. Lieut. Gov. Clarke dead.

TUESDAY, 30

Finished drying out manure and
drew up threshing woods.
Broct away to see when Tom will be
here to thresh.

Very hot and sultry looking like rain

WEDNESDAY, 31

Reps up barley in forenoon from
back of law dripping house. Then
moving engine out of barn & getting ready to
thresh. D to town in afternoon.
Tom moved here at night:

Fine and very hot.
