

June Sunday 27 1926

Home from the milk route early
Drove up home for dinner and Alex and
Jimmie washed up in afternoon.
Took some snaps up home and then
had a fine time at Barkus and a

and Eleanor a dandy buggy ride.

Monday 28

As usual a busy day for me
after being early Sunday morning.
so retired early at night as I
was rather tired.

Tuesday 29

Sold a lot of tickets and
collected a nice lot of accounts
as it was nearly end of month

June Wednesday 30 1926

Took in \$57.57 cash on milk route
The largest cash receipts for
one day since the Golden
Guernsey milk route started.
Got snaps I took on Sunday
and they were fine.

July Thursday 1

Finished my work up early in
the afternoon and drove up to Barkus.
Helped Jean milk and then drove up
home for tea. Nice drive back and
I certainly had a wonderful time with
Jean. Sweet memories of a year ago
when I started going with Jean.

Friday 2

Jean as an inspiration and
