1878

Thursday 7th day of May

7 Finished my seeding today harrowed and rolled it all. This finishes one only my planting I have put in about 42 acres of wheat and 18 of Oats 1/2 of peas and 1 mile of plant about 3 acres of

Friday 10 There were 3 men stayed here all night last night; they were taking a raft of saw logs from Indian Creek to Merrickville

Mowing with both teams in the field back of the Orchard for to plant corn

Pleasant Day
