

June

MONDAY, 9

(160-205)

1919

Broct done chores and cultivating rape ground on other place in forenoon.  
Da very miserable large hip.  
and cross cultivating in afternoon.

Beautiful day.

TUESDAY, 10

(161-204)

Broct finished cultivating rape ground in forenoon, then cultivating for corn in corner field in afternoon. Da cultivating & harrowing on corn ground too.  
Broct to town at night.  
Mr. Henderson here in evening.

Beautiful day but hot.

WEDNESDAY, 11

(162-203)

done chores. Drawing out manure for potatoes in forenoon and planting them in afternoon.  
Broct and I to town at night.  
Dr. Kerree out to see Da. His hip very painful.

Lovely day.
