

March 25th Sunday. Cloudy + cold  
in the morning, + started  
snowing a real blizzard  
from the north East in the afternoon.

March 26th. Zero this morning and  
lots of snow. car of  
manure in this afternoon

March 27th. Unloading manure and  
making hotbeds very cold  
will be zero or lower tonight.  
Kitchener Junior Hockey Team  
lost in the finals against  
Manitoba Varsity after winning  
the C.H.A. and defeating Montreal  
+ Moquin Falls.

March 28th Very high north west  
winds with snow squalls, nearly  
zero. this morning froze  
truck radiator going to  
Burlington. hotbeds will  
be frozen out I guess.

March 29th. Very cold. finished  
unloading car of manure  
got some Tomatoes + Cabbage  
frozen last night.

March 30th. Good Friday. very cold  
ground covered with snow  
strong north west winds  
with snow squalls in the  
afternoon and getting colder

March 31st. Very cold must be below  
zero. am afraid more plants  
in hotbeds will be frozen  
March came in like a lamb but  
it is sure going out like a lion  
don't think there has been a  
week all winter as cold and  
rough as this week.

April 1st Easter Sunday was  
down home for dinner + supper  
weather is a little milder  
April 2nd transplanted about
