

four loads in the stack; making altogether ten loads of sets off the back fields. John Wess came over and harrowed the manure spreader. He has bought a new one but can't get it yet. Later in the day London Jugg came over to harrow the drill. It has not been so hot today.

Sunday September 19<sup>th</sup>

It was too cold to go for a swim this morning but Frank went down to Sunday school and Dick & I went to church. I drove Cuck down and Dick walked. I got up fairly early this morning and washed & oiled the buggy. This afternoon I took Mary & Essie for a drive we had a dandy time and went up by Port Republic. The Millman's all came over here and got Cuck & Frank to go for a swim. Ed. Moon was over here and they took him down town with them and told him that they were all going to stay over. Beant Hill to tea. He met Mr. & Mrs. Bagley and told them that they were going to stay to tea so <sup>Mrs. Bagley</sup> invited me to stay there and I did and as there wasn't any Methodist church we all went to ours. When I got home about eleven I found that they had changed their plans and had come back here to tea. It has been a very nice day, fair & cool

Thursday September 30<sup>th</sup>

There has been an unavoidable lapse in the chronical of events, so I won't try to put down the doing of each day. I began ploughing the piece of sod East of the orchard on Monday Sep 30<sup>th</sup> and it was very hard. The weather was hot and dry all week and the flies bother the horses terribly. Loby went to help Cyer Thrash on Thursday 23<sup>rd</sup> and got very sick. Old Felix was over that day fixing the pump at the windmill, Loby could not hold his head up. Friday and Saturday Sunday was a very wet day up till noon I drove Hattie down to church in a down pour, we were all to have gone over to have dinner with the Millmans and they all got there but Alice, Loby and me. Armond brought these and Hattie and the baby home about 4-30. It was getting much colder then and it has been colder ever since freezing pretty hard every night since. I finished ploughing on Monday and as it was too wet to work I took the table down home and Loby went with me and stayed with the girls until today. Nathan and Pella were over to tea last night and Frank went home with them, Loby
