------	-------	-------	------	--

Cloudy day raining most P.M. Willie took load wood from hardwood bush down home then we took another load over here partly made up of trimmings of trees along J.L. P.M. Willie chipped and I cleaned seed grain. Joe Downey & Fred Collic in P.M. collecting for watch for Geo Byers who enlisted some time ago we gave 50 ds Willie got 2 settings eggs from Sam M. Dec A.M. paid him 40 ds Mary & I drove down at night I went to meeting of managers. Jim Inlake got gun of raw linseed oil and brought it down to church. We gave half of it to sick heifer when I came home Mary stayed down.
