

March, 1926

1 Monday. Changeable weather. Walter & Ella took Oernow to Elmira this morning. We had the heavy team hitched to the sleigh and took a load of grist. It snowed something fierce when we were going down. Ella had some work done at Dr. Hillis's and they had their dinner at Art. Kluck's. Jake King came along up from Elmira. Walter killed a beef at Louis Miller's this afternoon.

2 Tuesday. Snowing and storming. Walter was butchering at Louis Miller's today. Ella did her washing. &

3 Wednesday. Fierce storm all day. The snow banks are higher than ever. Walter butchered a cow and two big pigs at Lincoln Weaver's today. Wesley Weaver of Deulas, Dak. came home with him and was here for the night.
