266 DAYS PAST

SUNDAY

100 TO COME

March, 1907.

Dr. M. C. Foulks, Canton, Ohio, says:

"I think Pepto-Mangan the best remedy in existence for amenorrhœa from pathological causes."

Dec. 14, 1906.

Dr. A. D. Ferguson, Dallas, Texas, says:

"In the treatment of malarial anemias there is no agent that equals Pepto-Mangan (Gude)."

a fine day, but cold  
Alita was very sick &  
had to stay all night  
Eugene came & stayed  
all night Saturday night.  
This morning they did the  
chores here, the folks went  
home with Eugene & back  
for dinner, then Eugene  
went home, Alita was not  
well enough to get up  
Maude had to go to Birmingham  
for some butter Mrs & Lorna present
