73 DAYS PAST

292 TO COME

Other Remedies Disagreed.

A physician in South Dakota writes: "I am giving Pepto-Mangan (Gude) to a patient convalescing from a long stay in bed due to mitral involvement from inflammatory rheumatism and the results are very good indeed—all other forms of tonic medication seemed to disagree with her stomach."

Weather

Warm

Temp.

Maudie's Guelba went to Auburn after tea to take Hellen standing home, she was out for dinner & tea, I went to Kingsmill for John, Meta came home from London, and ^{John was up to Mrs. Peoples} she came home with us, and had tea then Eugene took her home. Maudie & I papered the parlor clothes room, Leifford Skinner was up a little while in the afternoon.
