

to put with Jack to take Aunt to
King mill and when he came over
in the afternoon to bring it back
Ansa + Grand Shepherd + their cousin
Tus Shepherd was here we all went down
to the driven barn where John was
and he came to the house and got
the side saddle and the girls went
for a little ride they got ready to go home
but the boys went for a drive and did
not get back till it started to rain
so they had to put the horse in the barn
till after the shower they went home
about four they was here to dinner John
stayed the evening

Monday I was home all day and about
night I got Prince and put the side
saddle on him and went for a ride
he never had a saddle on him before
I went to get it a few minutes
