It is said the Union is making trouble for King - Want an 8 hour day, a closed shop and \$4.50 a day. Very cold night.

January 22  
(Thursday) Bright-cold day. Went down to bank with S. S. Inney and to Mrs. Milne's to get my dress. Made up my S. S. Reports - Treasurer and Secretary - took them down to me. M. A. Halliday - called to see Mrs. Clarke but she was too ill to be seen. Is suffering very much from nerves and seems to be growing weaker. Called at the manse on the way home to get the Season Report from Mr. Innes. (He is staying in as he has sore arm from vaccination.) Wrote to Dorothy and Clare. Mrs. Innes brought up the report which was not finished when I was there. Practised half an hour. Rave
