

Ploughing the manure in for turnips and
Brock harvested it.

Very hot sultry day. Thunder storms
going all round. A little shower about six.
Myrtle Burrows and Mrs. Humphries here in
afternoon.

Men cultivating rest of corner field in forenoon.
Cultivating and digging turnip ground in
afternoon.

Brock to town at night with Crease
car. Sodie here in morning.

Heavy rain early in morning, but a nice day.

Rolled, harrowed and ridged up turnip ground.
and sowed them in afternoon.

Do ploughing strip back by ditch in
afternoon.
Elwin brought load of oats in forenoon.
Fire and cooler. We to town at night.

Brock to church at night.

Beautiful day. Cool breeze.
