

Ther.

WED. DEC. 7, 1898

Wea.

I rose and made the fire, and got the breakfast the boys started for school but only went to Henderson, as the teacher did not go to school, I faced a pair of mits for George in afternoon, James came up at night to sew his shoe,

Ther.

THURSDAY 8

Wea.

After I had breakfast the boys went to school but came home again as the teacher sent them home, I made some kindling in forenoon I was busy in afternoon facing Samies mits
