

DECEMBER
my color

FRIDAY 15

1876

to the Tanning at J. Lind Passer
has kept up too much heat
& injured the Barks that were
darning in. I put Pindlock &
gnate on to skinning this am
set Pine Table from kamochin
this am.

Geoslines articles tonight

DECEMBER

SATURDAY 16

1876

to the Tanning at J. Geoslines table
there. Pindlock worked all night
& remain at Tanning all day
I stop old Gundy working at noon
Pindler begins skinning after
dinner - Barry copies to office
Kubomas one to Mrs. Conroy
trial on Tuesday. I send
Barry for Mrs. Conroy to
pay articles fees \$10.
