

## Thursday, March 26

1918

- June 11th Drove over to Miller's for dinner and went to S.S. Convention in Boyles School in the afternoon.
- 14th. Went to our own Convention at Manis Church, it was a fine day and all around it was a splendid Convention.
  - 16. Edithson & I went down to Langford to spend the day with Cornwells.
  - 17. Started to cultivate corn the first time.
  - 18. Sowed new Ontario turnips in the afternoon.
  - 20. Finished haying mangels, they were a good catch. Sowed some more peas and carrot seed.
  - 21. Went to Paris to register a very heavy rain but one which did a great deal of good.
  - 22. Finished cutting thistles and dock out of grain in 6 acre field.
  - 23. Baptismal Services were held in the Presbyterian Church St. George when we had some baptised, Mr & Mrs Arthur Wolman's 2nd girl was also baptised.
  - 24. Did our road work, drew cinders from the Lake to the big hill.
  - 25. Started to cut hay in the afternoon, (Lucerne)
  - 26. Mr & Mrs Cooks and family came out for tea, and the evening.
  - 27. Mr & Mrs Lee and Mary Love came over for a visit, Don Walker started to herd cows. Finished cultivating corn the second time.
  - 28. Sowed Greystone turnips about  $\frac{2}{3}$  of an acre. Fred Archibald came for a visit from Hamilton.
  - 29. Finished drawing in Lucerne off north hill 5 loads.
  - 30. Drove over to Bob Peale in the evening.
- July 2nd Sowed Oats and sugar-cane at foot of north hill for pasture.
- Went to Johnsons in the evening to help arrange for Garden City.
