Burlington, Ont., 19

we run across our old chum Harry Crocker who has been here a couple of weeks. felt pretty tired went to bed early -

Saturday Jan 28th. It is kind of a nice town but seems pretty quiet after leaving Havana, strolled around went to a couple of picture shows.

Sunday Jan 29th spent the day in Tampa Bay Park it is a nice park along the river.

Tuesday Jan 31. went through Tampa Bay Hotel and grounds which are pretty nice.

Wed Feb 1st Went out by car to sulphur springs Park it has a big spring which they have surrounded with a cement wall. And have a big swimming pool.

Friday Feb 3rd. Left for Jacksonville it took about 3 o'clock. The town seems to be a lot more busier than it did when we were here before.
