Tuesday

7 fine day cloudy morning sunny day thawing
 some in sunshine not very frosty Willie
 96 drove down in morning got at Strathmore meet
 80th stork 7:30 100th bread 7:45 6 etc he
 brought up Matt M. detachment of J. Calder they
 finished waterworks ready for to hitch on to water
 Willie drove them down about 5 P.M. with
 tools etc in sleigh brought up bag cotton
 read meal from 7:30 on off. Willie drove
 Kate & Rhoda around in field A.M. We
 shovelled out bin to make room for pump down
 cellar for soft water from cistern. I took no 3
 door out of site to-day.

Wednesday

7 fine day sunny thawing in sunshine.
 Jack calved last night, calf was lying in wet gutter
 and so cold and helpless that we brought it over to
 house. I hauled back small load manure to pile P.M.
 Kate and Rhoda in sleigh Willie had Kate & Jay hitched
 A.M. I cleaned out with shed in barn. I have down to

102-80	annual meeting in our church at night. Day ended	861	3120
