244 DAYS PAST **SATURDAY** 122 TO COME

Nov. 6, 1906.

Dr. Edwin C. Bullock, Columbus, N. J., says:

"I have used your preparation, finding it superior to many such so-called preparations. I highly recommend its use for cases of anemia, as it certainly does the desired work."

March 16, 1907.

Dr. Becker, Toledo, Ohio, says:

"**Pepto-Mangan** is the preparation of iron which I prescribe more frequently than any other."

A fine day! Mrs Kline,
Bardonia, N.Y., Morris
& I went to Filsonburg
