## They Answered Promptly.

A London, Eng., physician writes: "I have found **Pepto-Mangan (Gude)** an excellent remedy for anemia, the patients on whom I have tried it answering very promptly to its hematinic properties, even after failure of other treatment, and it appears to be an excellent tonic."

Weather

Temp.

Very cold this morning  
 wind blowing a perfect hurrican  
 all day. started to snow about  
 two this afternoon, then rain & hail  
 I took the children this morning  
 to right Melba road home as  
 far as the corner with Olive  
 her a keel, then came home  
 a foot the rest of the way. I  
 went after Maude & Purty
