FRI. FEB. 18, 1898

Wea.

Another day has come
I rose and made the
fire. The boys are away
to school, it is colder just
now, Vena and I went to
Roberts in the afternoon
it is cold but very good
walking. Aunt was busy
patching a quilt
Robt's drawing ice

SATURDAY 19

Wea.

I rose this morning
and made the fire, we
then had breakfast. I did
some baking in forenoon
and after dinner George
S. A. Vena and I went to
Brampton, we went to
see Uncle David, he is
keeping just the same, Robert
was here from Lutter ^{came home} when we
