133 DAYS PAST

SUNDAY

233 TO COME

The Balance of Force and Energy

must be increased if a blood stream of structural integrity is to be maintained. Pepto-Mangan (Gude) enables a physiologic balance to be struck, by furnishing the essential ferric and manganic elements in all conditions of vital under-capitalization.

Weather

Temp.

rained all day, 77° & on  
Bevil came over this evening  
& stayed for dinner, before  
we got through. Mr. Cox called,  
up & wanted, or, said that Mrs  
Berbert, wanted him to come  
up there with Clarence for  
dinner. John was down to Sheel's  
this afternoon. The rest of us  
have been home all day. We  
expected, Helen Walker & wife  
for dinner but it rained  
so hard, they couldn't come
