

The morning. The Home people did not
come up after church. In sleeping I
expect.

Monday beautiful sunshiny day. Went down
Jan. 3rd to the bank in the morning. Wrote to
Clare, Mrs. Leslie and Ferna called
in the afternoon. Elected - old council
& W. P. King, all men running on
Labor ticket - defeated. By-laws to buy
Inn Hall carried. Wrote to aunt -
Carrie and aunt - Adelaide. Donthy,
Charles & Doug. playing chess.

Tuesday nice springlike day. Wrote account of
Jan. 4th presentation last night and added
list of contributors this morning and
took it down to Enterprise office. Donthy
went down at same time and I went
to Mrs. Milne's with her. Mended
Donthy's underwear ready for her to
take away with her. Went down town
to get some news bands. Cleared ice
of sidewalk down to big tree. Donthy
and Douglas nickered at one afternoon.
