

19th continued

1902

James Cameron 19th May
I did notice this Daubing
in my diary till to day
the one who I one it done
it last night and I know
who he is no one would
do it But a very guilty
person and a robber they
I know the guilty person
But I will expose this
to every one ^{Rained at night} 20th a very fine
St Dunstons Day
Gay Scander took his Boat
from the shore I suppose
going some place to get
it fixed dont tell me
any they do the Redcoat
ploughing in an easy place
taking and putting anything
I have out of my way so I
will have to look for them
Wind the sager crossed Scander
to Se Lemay with his Boat
only working in the garden
a Buller nut tree cut down at
point had no business to

James Cameron 21st May
First Day of Spring Randolph
here after ducks in the air hole some
Rain a few drops this morning sun
crosses the line Equinoctial Gales
Begin on Land and Sea tempest
be wearing under Stanley not much
better I cannot see right what
I am writing took some of the
Barrels to the River to soak sapping
to day took some Buckets to the Bi
took over the house for the
Barrel to the fine day for
Sugar Bush a fine day for
the conservative meeting in
Alexandria on the priest mills
as we used to call it in days
of yore very hot sun came out
about 4 or 5 past gathered 6 barrels
this afternoon about 270 Capt now
this is the first gathering no fire
made yet sap run well all night
22nd St. Vivala ^{Cameron} Birth Day it is
and a very fine day it is
1840 Fernandez came got a better
him I dont know its contents
sap runs well to day Stanley
not well sapping gathered 6
Barrels
