

May 1892

an hour when A came for us P B Rens
had come so we came home W. fine clear
9 B helped. At 11 AM I rolled 10 m
H was at Pilkey a day garden at
B C. They rolled P M I & B
brought local rails from other place
& local sawdust W. fine warm P M
10 H B & A drew dung on Mangel ground
I & J took 6 bags Pea & Oats to B. D's
& then went to Crowfords to engage
Pasture for 3 yearling Cotts I spoke
for 2 2 year old a few weeks ago
I finished rolling & brought home
Chop P M. W. A strong Cold east
wind all day.

11 Bays Chord all day W. Showy
A.M. rain nearly all P M. warm
12. I & A took great Oats to B. D's &
got them Chopped H & B brought bag
of Turnip from G & 1/2 ton hay from
Pilkey A.M. Bays fixed fences P M
I & B. C went to J D's P M. Their
son Johnny has went away again
he disappeared on Tuesday and they
can hear no account of him.

May 1892

W. very fine & growing weather
I & B. C went down Spring Creek
from new road to the little range then
up the east bank to Diller's west farm
buildings Diller's have been to every
Station from Claremont & Peckney
to Toronto on Pacific & Grand Trunk
lines & today B Diller is in Toronto
to notify Detectives & advertise
in Daily Globe

13 B & A helped I all day I & J
brought some lumber to McKeegan
I went to J D's this morning (no news)
H was at Pilkey A.M. I & J & H went
to help look for Johnny Diller P M
we searched both Ranges from
B. D's bridge to Dead water & up to
Kirkham's Mill on big Range

W. very fine & warm (found no signs)
Henry & Anne have old fashioned Measles
The German Measles have been through
the County a few months ago
14 B & A helped I make fences I & A
ganged root ground I & Mary went awhile
to J D's P M no word of Johnny yet
W. fine & warm
