Charlie went to the convent with Loo's and came back on the 5 p.m.

He intends to go fishing tomorrow.

The day was fine and the roads are drying.

Monday March 14, 1921.

I delivered mail on the Bay and Downline parts with Chip and Dan Dick.

Charlie and Roy went fishing down at the Club, but only got three.

The day was fine but the roads were very bad.

Mr English took Ed. to W-burg to get the cuts on his face dressed but the car didn't get back till the last car had left so they stayed there all night.
