59 DAYS PAST

306 TO COME

A Cardiac and Systemic Bracer.

℞ Strychnia Sulph. (Gm. 0.02) gr. 1/8

Pepto-Mangan (Gude). (Cc. 330—original bottle) ʒxi

M. Sig.—Tablespoonful after each meal. Children in proportion.

Weather Thawing all day Temp.

and raining quite hard this evening. Mrs. Thompson was up came with Boyde, they were here all day. Boyde helping draw wood & Maude was embroiderying her some towelly. Eugene has gone to Agnes tonight. John has gone to Marks to see how Lawrence is. The girls took their music lesson. The little band had a big play. The girls have helped me all day and Milla has had such a good time between times, going to the woods over the hills with the boys.
